GOING SHOPPING? GOING OUT?

Don't give opportunist thieves the chance to bag your belongings. It doesn't matter if you are out shopping or going out for a social event, always make sure you stay alert at all times. By taking some simple steps you can help protect yourself and your belongings:

DON'T LEAVE YOUR HANDBAG UNATTENDED in shopping baskets, trolleys, pushchairs or mobility scooters. In cafes and restaurants keep bags on your lap, between your feet or place the strap around a chair leg. Don't hang your bag on the back of your chair where you can't keep an eye on it.

DON'T LEAVE YOUR MOBILE PHONE ON THE TABLE. Mobile phones are frequently targeted by thieves and easily swiped when your back is turned even just for a minute.

KEEP HANDBAGS CLOSE TO YOUR BODY and closed at all times. Choose a bag that can be zipped. Your purse and phone should be well hidden and tucked away out of sight and out of easy reach of pickpockets. Be particularly careful on public transport, keep your bag where you can see it. If you carry a rucksack, wear it on your front rather than on your back or over your shoulder.

KEEP THE AMOUNT OF VALUABLES INSIDE HANDBAGS TO AN ABSOLUTE MINIMUM and do not carry large amounts of cash.

BE MINDFUL OF DISTRACTIONS. Thieves working in pairs may try to divert your attention in order to steal your handbag or purse/wallet. Avoid carrying too much around with you, the more bags you've got the more vulnerable you are. If you need to take shopping back to your car, put your bags in the boot – don't leave them where they can be seen.

This advice also applies if you are going out on an evening too. Don't ever leave your handbag/wallet unattended even if you are just nipping to the bar to quickly buy a drink, speak to someone or going for a dance as it only takes seconds for your belongings to disappear! Keep them with you at all times!
